

## Sameer Sarfraz, MSM, ARM, CSRM, CISR

### Vice President – Strategic Risk

As one can easily surmise from the various abbreviations that follow his name above, Sameer Sarfraz is a dedicated Insurance professional, committed to learning and applying his expertise in Risk Management. In addition to said designations, Sameer is also an OSHA Authorized Outreach Trainer (General Industry). He is a seasoned Safety & Risk Control Professional with over two decades of dedicated experience. He has risen through the ranks, specializing in the public sector, particularly in public schools. Sameer's journey in the world of insurance risk management, workers' compensation, and property and casualty has been nothing short of remarkable, and we are thrilled to have him as the latest member of our executive team.

**Career Journey:** Beginning his career with a passion for collaboration and a consultative approach, Sameer excelled in understanding the intricate insurance and financial landscapes of his clients. His commitment to providing legendary customer service has fostered long-term relationships, ensuring the success of his clients while optimizing public dollars spent on insurance needs.

In pivotal roles at New Jersey Schools Insurance Group (NJSIG) and Utica National Insurance Group, Sameer executed safety, environmental, and risk management strategies across diverse sectors. His tenure at NJSIG involved overseeing insurance for hundreds of public-school districts, showcasing his leadership in audits, risk mitigation, business continuity planning and safety risk control planning. As Vice President of Strategic Risk at Alamo, Sameer will take the helm at Alamo Insurance Group, steering the Strategic Risk Management division of Alamo group. His role entails delivering comprehensive enterprise risk management services, strategically mitigating risks across various coverage areas to cater our clientele's needs. This involves overseeing strategic risk mitigation efforts and providing robust risk management services across all lines of coverage.

**Education and Expertise:** Sameer holds a Master of Science in Management focused on Strategic Leadership and Value Chain Management from the University of Illinois, complemented by Bachelor's degrees in Accounting and Statistics. His comprehensive skill set encompasses problem resolution, project planning, team leadership, and effective communication.

Backed by certifications such as Certified School Risk Manager (CSRM), Certified Insurance Service Specialist (CISR), and Associate in Risk Management (ARM), Sameer's commitment to continuous learning and professional growth remains unwavering. Fluent in multiple languages, including Hindi, Urdu and Punjabi, Sameer's versatility in communication underscores his ability to engage with diverse audiences.

Sameer cherishes family life as a devoted husband to Rubab since 2012 and a proud father of three daughters: Narmeen, Zara, and Zoha.

In addition to his professional commitments, Sameer actively contributes as the General Secretary of a local non-profit, fostering community unity, and serves on a condominium board. He was recognized with the Martin Luther King, Jr. Freedom Medal (2014) in Camden County for his selfless community contributions.
